SPRING 2027

FAIRWAY & GREENE

Our mission is clear—to create classic golf apparel that honors the history of the game while meeting the modern performance needs of today.

We are The Honorable Golfer. Experienced and accomplished on the course and off. Refined and tasteful. Proud of the past, yet unafraid of the future. We built our success through years of experience, integrity, and relentless drive. We are proud but not boastful, classic but not staid, relevant but not flashy. We are designed to fit in on the first tee.

We exist to serve discerning men and women who carry a quiet yet confident air about them and expect their clothing to do the same. They have refined taste, preferring a blend of traditions and trends. They are lifelong learners, well-versed and well-traveled. They have created success for themselves and are proud to enjoy the finer fruits of their labor. Likely to be members of well-heeled clubs, they view golf as a noble game that promotes and fosters relationships.
